### **July Business**

I looked into the Give Big donations and as far as I can see, we have our money.

I deposited all the checks received last meeting. As well as all money generated for the track project.

I wrote checks for scholarships to the three specific colleges for Zach, Karrie, and Brooke. Gayla then mailed them for me.

As per his request, I wrote a check for \$150.00 to the school lunch account from Keith Reed's check.

Spoke with Leah Golding about our role in only holding the money for the track project.
